

<p>ELECTIONS FOR CHRISTMAS ACTIVITIES</p> <p>(If you can keep track of multiple Bingo cards at one time, don't whine later about not understanding how to work this ballot.)</p>	<p>(REPUBLICAN)</p> <p>Fret for a few moments over how to keep the kids supplied with Sugar Plums when 47 cents of every dollar you have winds up supporting bloated government. Between Sugar Plum stuffings make sure the kids understand the real meaning of CHRISTmas. Contemplate Peace on Earth and Good Will toward All, even Democrats.</p> <p>3 ➡ ●</p>	<p>(REFORM)</p> <p>Basically do what the Republicans do, but are too embarrassed to admit it. Hold a press conference complaining the liberal media establishment reports only the Republican and Democrat proposals for Sugar Plum reform. Nobody attends.</p> <hr/> <p>(SOCIALIST)</p> <p>Basically do what the Democrats do. Now that the Boy Scouts are taken care of remember to call the ACLU and have them sue the local Girl Scout troop for singing religion-themed Christmas carols on public school property.</p> <hr/> <p>(CONSTITUTION)</p> <p>If the member of this Party is located (last seen in 1976) please have them contact the Supervisor of Elections to record the Party's Christmas Policy for publication.</p> <hr/> <p>(WORKER'S WORLD)</p> <p>Basically do what the Democrats do. Organize a boycott of toy stores to protest Santa's use of differently-abled individuals (euphemistically described as "elves") as slave labor in his toy sweat shops at the North Pole. Also remember to check with PETA to see if they need any volunteers for the Christmas Eve raid to "liberate" abused reindeer at Santa's facilities.</p>
	<p>(DEMOCRAT)</p> <p>Fret over the idea that somewhere a child MAY not get their fair share of Sugar Plums. Since people greedily keep 53 cents of every dollar from government, everyone can well afford to "contribute" more to fund the creation of the Department of Sugar Plums employing Sugar Plum Agents, Sugar Plum Inspectors, Sugar Plum Administrators, Sugar Plum Clerks, ...</p> <p>4 1/2 ➡ ●</p> <p>4 3/4 ➡ ●</p> <p>5 ➡ ●</p> <p>5 1/4 ➡ ●</p> <p>5 1/2 ➡ ●</p> <p>● ◀◀ 4</p>	
	<p>(LIBERTARIAN)</p> <p>Basically do what the Republicans do. However, some parts of the Sugar Plum exchange with adult members of your family may be modified to involve products from Kimber, Glock, Bushmaster, Beretta, Ruger, Tasco, Hogue, Bianchi ... If dinner does not include reindeer, it will include the explanation about how it doesn't taste much like chicken.</p> <p>7 ➡ ●</p> <p>● ◀◀ 6</p>	
	<p>(GREEN)</p> <p>Basically do what the Democrats do. Hold a press conference castigating the American people for the deforestation of Wisconsin caused by the tradition of having a real Christmas tree. Drive home in your gas-guzzling SUV to enjoy Christmas in front of a tree manufactured from refined petroleum products and lit by power from a nuclear reactor.</p> <p>9 ➡ ●</p>	
	<p>(WRITE-IN CANDIDATE)</p> <p>Contrary to public opinion that guy in the red suit has not been named Dictator of Christmas for Life. That green guy at the top of Mount Crumpit is also not an authority on the true meaning of Christmas.</p> <p>● ◀◀ 10</p>
